instructions

Simple. Just fill out the address section. Give your oligo(s) a name, type, sequence, scale, modification, and any comments...then fax it to us at:
+49 (0) 89 899 363 11

oligo name: type: RNA | RNA/DNA scale: 0,2 µmol | 1,0 µmol
5' modification: unmodified | phosphate | fluorescein | biotin | amino | fam | hex | tet | tamra | cy3 | cy5
3' modification: unmodified | biotin | amino | thiol | tamra | deoxynucleotide
comments:
sequence (please use A,C,U,G, for RNA bases and a,c,t,g, for DNA bases):
