How to Register and Sign in to the Web Order Portal

1. Go to our **Web Order Portal**:
<https://wop.metabion.com/wop/>

2. Click „**Register now**“ to create a new account

4. Create a password using the following rules:

- 8-30 characters
- At least one uppercase letter
- At least one lowercase letter
- At least one number
- At least one of the following special characters:
- + . ! @ \$ % * = _

5. Submit the form and click the verification link which is sent to your e-mail address

6. Now you are all set to design and order your custom oligos!

3. Fill in your details in the registration form

Should you encounter any problems signing in, get in touch with the WOP Support team:

- **by chat:** click the "live chat" button
